Date: 29 September 2011

## Marine Notice No. 22 of 2011

### EPIRB Registration

TO MASTERS, SHIP OWNERS, MARINE RADIO EQUIPMENT SUPPLIERS AND THEIR AGENTS AND PRINCIPAL OFFICERS

#### *Summary*

This marine notice serves to emphasize to the marine industry the importance of EPIRB registration and regular updating of registered particulars as contained in the Merchant Shipping (EPIRB Registration) Regulations, 2002. Registration of EPIRB's is compulsory whether or not carried in compliance with statutory requirements. Hence this registration is an additional requirement in terms of the Merchant Shipping (National Small Vessel Safety) Regulations 2007 – Annexure 2 paragraph 4.

#### **1. Registration of EPIRB's**

The owner and operator of every ship of South African Nationality must ensure that every EPIRB carried on the ship (whether or not carried in compliance with statutory requirements) is registered with the Maritime Rescue Co-ordination Centre (MRCC) and that the registered particulars are correct. This Registration Process at the Maritime Rescue Co-ordination Centre (MRCC) is a separate process to that of the application for a Maritime Mobile Service Identity Number (MMSI) which is obtained from the Independent Communications Authority of South Africa (ICASA).

Evidence, that every EPIRB carried on the ship is registered, must be kept available on board vessels for inspection at all reasonable times by a surveyor. SAMS Radio Surveyors will assist with the process of registration prior to radio surveys and inspections. *This requirement will in future be enforced during annual radio surveys, ship surveys and Ad Hoc inspections.*

#### **2. Change in registered particulars**

Where in respect of an EPIRB already registered with the MRCC, if there is any change in the particulars registered with the MRCC, the owner and the operator of the ship to which these particulars relate must, as soon as is reasonably practicable after the change, give written notice of the change to the MRCC.

#### **3. Maritime Rescue Co-ordination Centre details**

Tel: (021) 938 3302/3 for registration queries or (021) 938 3300 for DISTRESS reporting

Fax: (021) 938 3309
